Field Trips

Welcoming school groups of all sizes and ages to the iconic
Freeport destination over 10,000 years in the making!

HANDS-ON LEARNING

Start with a 45 minute
interactive program covering...

History

Put yourself in the
shoes of characters
who contributed to
the unique story of
the Desert

Ecology

Witness a microcosm
of human influence
on the Earth and the
hopeful recovery we
can support

Geology

Learn about the
geological forces
that have shaped
this strange
phenomenon

WANDER IN WONDER

...and then explore the
Desert's treasures!

LET'S TALK

Standard visits offer 45-90 minutes of
interactive instruction, followed by time
to wander the **dunes**, hunt for crystals
in **Gemstone Village**, and explore the
Natural Playground!

Contact us for more information or to
craft a visit tailored to your students,
including the option of a **deep dive** into
an area related to your curriculum.
